

# **Composition Crew Quotes**

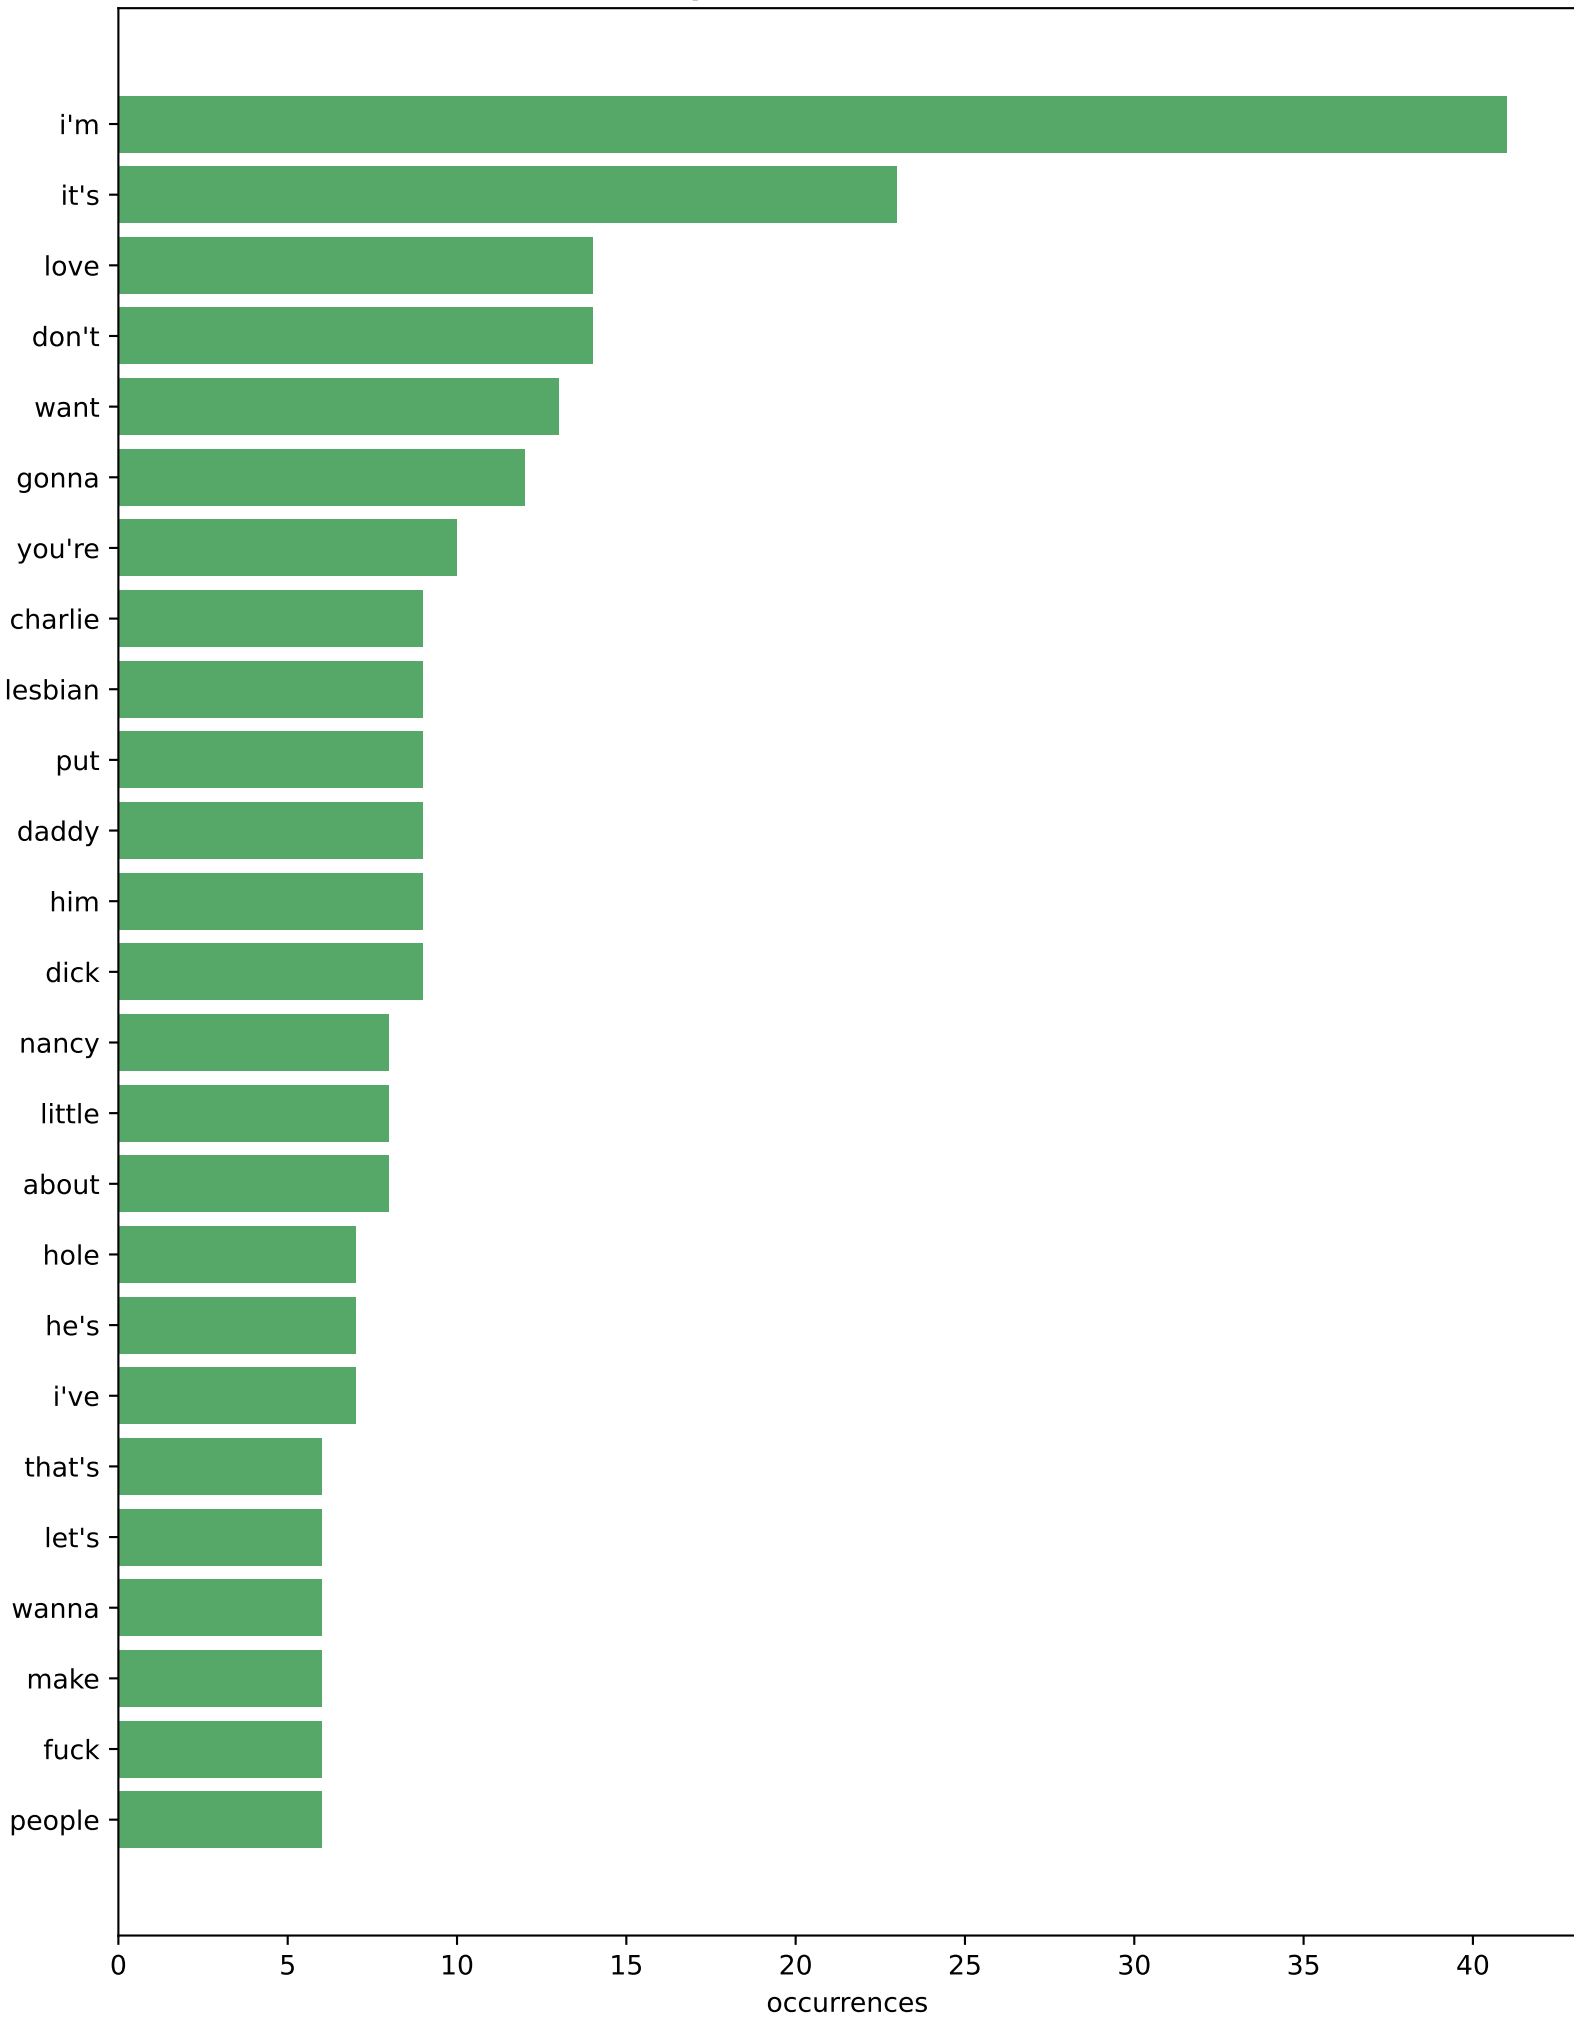

## Analysis Report

386 quotes from 35 contributors

## 1. Quote Leaderboard — quotes per person

## 2. Word Frequency — top 25 (stopwords removed)

### 3. Risky Quote Breakdown

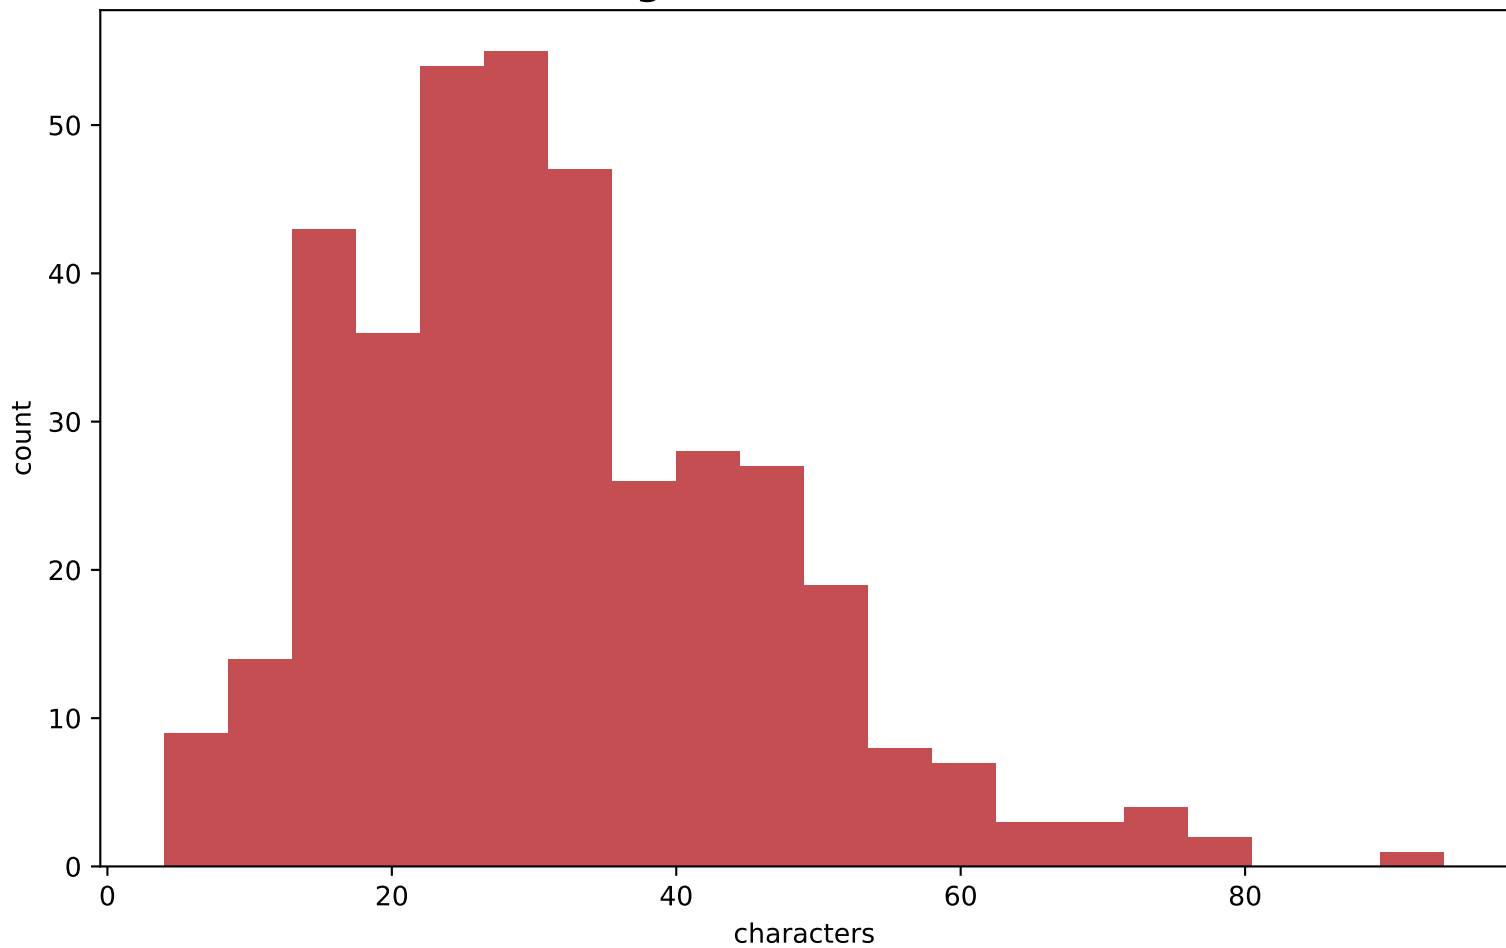

5 of 386 quotes are flagged risky: true.

By person: kelly (1), huxley (1), rosa (1), luke (1), nancy (1)

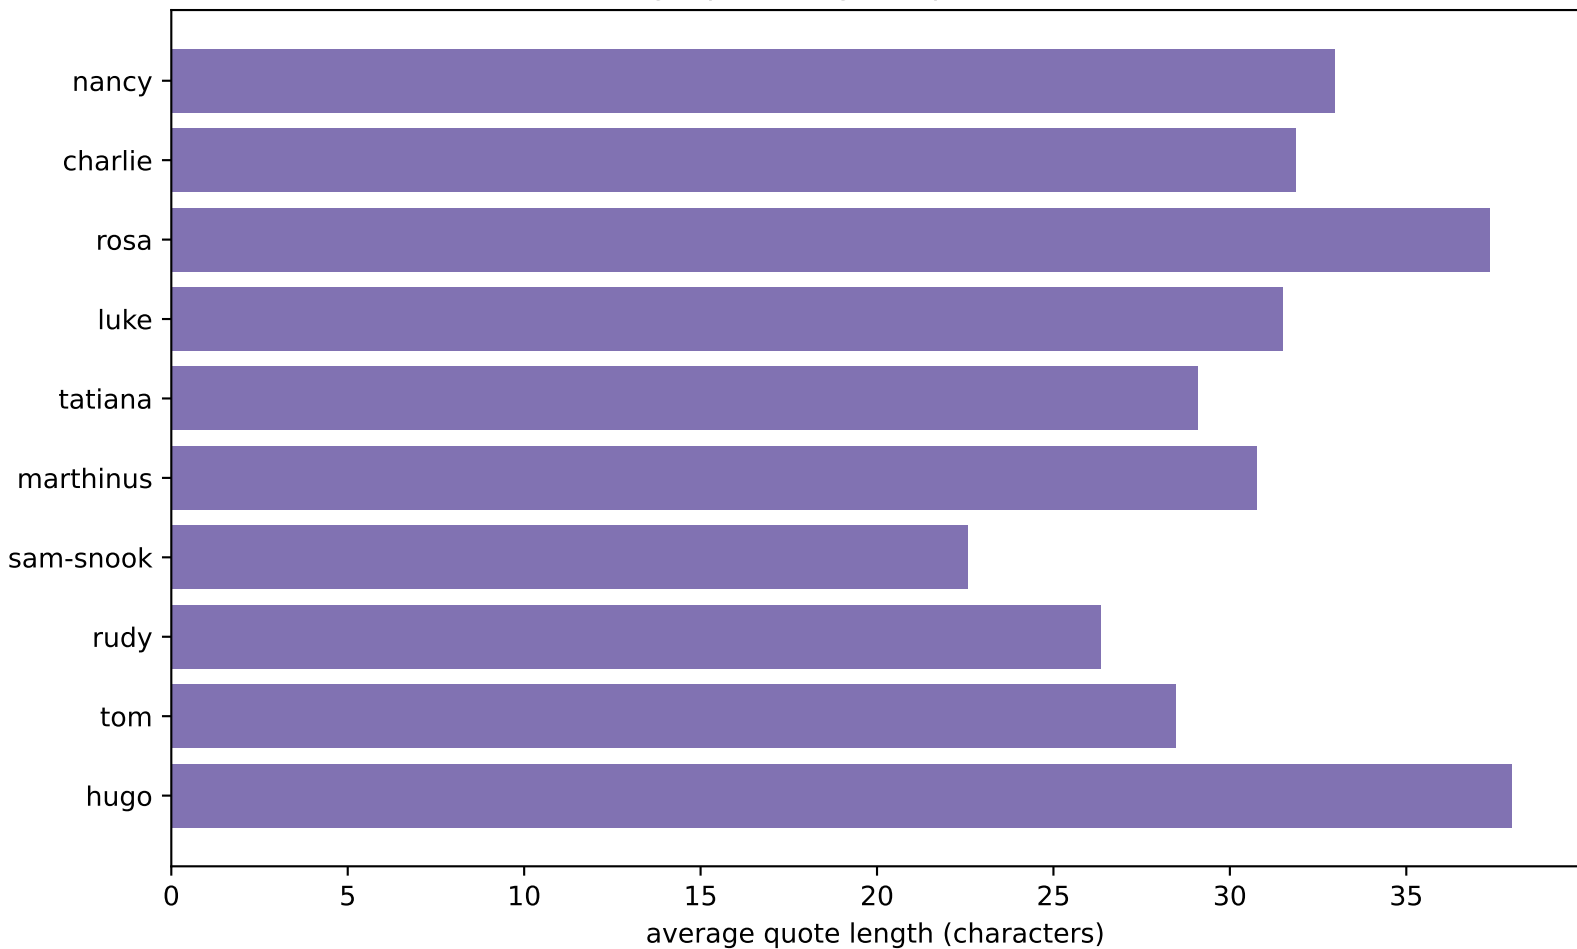

### 3. Risky Quotes (detail)

| id   | saidBy | quote                                                                                          |
|------|--------|------------------------------------------------------------------------------------------------|
| q078 | kelly  | Wear [that Burberry thong] then maybe Naz will want you                                        |
| q099 | huxley | Why would you wanna be a Jew?                                                                  |
| q116 | rosa   | There's a lot of documentaries that prove Hitler was not as bad as society makes him out to be |
| q244 | luke   | Osama should've used bigger planes and Hitler should've had bigger ovens                       |
| q354 | nancy  | Please don't shag my boyfriend and spring roll at the same time                                |

#### 4. Quote Length Distribution (characters)

Average quote length, top 10 contributors

mean=31.6 median=29.5 min=4 max=94

## 5. Per-Person Signature Words

Words each top contributor uses disproportionately more than the group average (relative-frequency score, minimum 2 uses).

|           |                                                                    |
|-----------|--------------------------------------------------------------------|
| nancy     | wish (2), train (2), too (2), tiny (2), tatiana (2), such (2)      |
| charlie   | qaeda (2), nancy's (2), nice (2), let's (2), nancy (2), little (2) |
| rosa      | someone (2), fanny (2), see (3), over (2), balls (2), i've (2)     |
| luke      | should've (2), life (2), bigger (2), i'll (3), want (2), i'm (2)   |
| tatiana   | vagina (2), robot (2), cake (2), guys (2), good (2), gay (2)       |
| marthinus | i'm (2)                                                            |
| sam-snook | come (2), want (2)                                                 |
| rudy      | know (2)                                                           |

## **6. Sequence Clustering by Quote ID**

Quotes are ordered by id, which likely reflects when they were logged. This groups consecutive runs by the same speaker (3+ in a row) - possible indicators of a specific hangout/session dominated by one voice.

## 6. Consecutive-Run Detail

| starting id | person    | consecutive quotes |
|-------------|-----------|--------------------|
| q081        | nancy     | 6                  |
| q007        | charlie   | 5                  |
| q039        | nancy     | 5                  |
| q229        | luke      | 5                  |
| q100        | marthinus | 4                  |
| q104        | sam-snook | 4                  |
| q147        | nancy     | 4                  |
| q174        | luke      | 4                  |
| q238        | nancy     | 4                  |
| q299        | nancy     | 4                  |
| q304        | nancy     | 4                  |
| q317        | nancy     | 4                  |
| q354        | nancy     | 4                  |
| q014        | charlie   | 3                  |
| q017        | nancy     | 3                  |
| q026        | nancy     | 3                  |
| q047        | nancy     | 3                  |
| q066        | nancy     | 3                  |
| q074        | nancy     | 3                  |
| q077        | kelly     | 3                  |
| q088        | nancy     | 3                  |
| q111        | nancy     | 3                  |
| q117        | nancy     | 3                  |
| q143        | nancy     | 3                  |
| q194        | nancy     | 3                  |
| q206        | nancy     | 3                  |
| q343        | nancy     | 3                  |
